STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

3 point

STORAGE: Store in a dry place. Do not store where children or animals may gain access.

In case of puncture, use overslip bag and securely close. In case of spill, sweep, scoop or vacuum and remove.

3 point

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

3 point

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

NOTICE

3 point

Neither manufacturer nor seller shall be liable in respect to any injury or damage suffered by reason of the use of this product for a purpose not indicated by the label or when used contrary to the directions or instructions hereon nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms, and assumes all risk of usage and handling except when used or handled in accordance with this label. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, express or implied by law, not specifically set forth herein.

PRECAUTIONARY STATEMENTS

8 point

**HAZARD TO HUMANS AND
DOMESTIC ANIMALS**

CAUTION

12 point

Harmful if swallowed. May cause eye irritation. Wash thoroughly after handling. Avoid contamination of food and feed.

STATEMENT OF PRACTICAL TREATMENT

8 point

IF SWALLOWED: Immediately contact Poison Control Center or Physician. If these are unavailable, give a glass or two of water and induce vomiting by giving syrup of ipecac or by touching finger to back of throat. Never give anything by mouth or induce vomiting if patient is unconscious.

IF IN EYES, flush with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

8 point

✓ Boric acid or boric acid solutions carelessly spilled or applied to cropland or growing plants - including trees and shrubs - may kill or seriously retard plant growth. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

8 point

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

This product is intended for formulation into registered end use products for indoor uses on: mop, spot and crack and crevice treatment in homes, residential, industrial, institutional and commercial buildings and in transportation equipment. It is also intended for terrestrial, non-food uses on: railroad rights-of-way, tank farms and industrial sites as a preparing treatment under asphalts, manure piles, garbage and refuse areas. ✓

Reformulators and/or repackagers must obtain their own EPA Registration.
