Boric Acid

Manufacture Grade - Powder

For the formulation of insecticides/fungicides

Active ingredient:
Boric Acid (H₃BO₃)100%
[Boric Oxide (B₂O₃) equivalent 56.3%]

KEEP OUT OF REACH OF CHILDREN

CAUTION

Not for food or drug use.

EPA Reg. No. 1624-117
EPA Est. 1624-CA-2

Directions for use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Boric Acid is a soluble inorganic powder for formulating into certain end-products: insecticides/fungicides for wood treatment; insecticides for mop, spot, and crack and crevice treatment in residential, industrial, institutional and commercial buildings. This product shall not be used to formulate or repackage a registered product for use in any carpet, rug or upholstery application.

Formulators and repackagers are responsible for obtaining their own registrations.

Notice:
Neither manufacturer nor seller shall be liable in respect to any injury or damages suffered by reason of the use of this product for a purpose not indicated by the label, or when used contrary to the directions or instructions hereon, nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms, and assumes full risk of usage and handling except when used or handled in accordance with this label.

CAUTION

Precautionary statements:

Hazards to humans and domestic animals

Harmful if swallowed: Avoid contact with eyes. Wash thoroughly after handling. Avoid contamination of food and feed.

Statement of practical treatment

If swallowed, immediately contact a physician or Poison Control Center. If these are unavailable, give the victim 1 or 2 glasses of water and induce vomiting by touching the back of throat with fingers. Do not induce vomiting or give anything by mouth to an unconscious person.

If in eyes, flush with plenty of water. Get medical attention if irritation persists.

Environmental hazards

Boric Acid or boric acid solutions carelessly spilled or applied to cropland or growing plants-including trees and shrubs-may kill or seriously retard plant growth. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Storage and disposal

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a dry place. Do not store where children or animals may gain access.

Pesticide disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container disposal: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
