

FOR RESIDUAL AND CONTACT USE ONLY. DO NOT USE IN DWELLINGS.

KNOX FORMULA "D-M-L"

KILLS - resistant roaches, flies, mosquitoes,
gnats, waterbugs, silverfish, ants, fleas,
ticks and certain other insects.

FOR RESIDUAL AND CONTACT SPRAYING

For use by or under the supervision of trained personnel.

KNOX FORMULA "D-M-L" knocks down and kills many flying and crawling insects as either a residual insecticide or as a contact spray. The multi-mixture of Diazinon combined with Lindane and Methoxychlor gives extra effectiveness, faster knockdown and high kill. **ONE GALLON WILL RESIDUALLY TREAT 1,000 SQUARE FEET OF SURFACE.**

ROACHES, WATERBUGS AND SILVERFISH: Thoroughly wet infested cracks and hiding places, wetting the surface frequented by these pests. Repeat application as often as necessary to maintain an effective residual deposit of KNOX FORMULA "D-M-L". **ANTS:** Spray ants, ant trails, areas around door sills and window frames where the pests enter the premises. Repeat as often as necessary.

FLIES, MOSQUITOES, AND GNATS: For residual control wet thoroughly all areas where these insects alight or crawl. For spot application around doors, screens and wall surfaces wherever the insects alight or crawl.

HOW TO PROPERLY USE: Spray KNOX FORMULA "D-M-L" on cracks, crevices, door sills, screens and window screens. Repeat application as often as necessary.

CAUTION

Observe all directions on this product. Do not use in occupied houses. Remove occupants and pets from the area before spraying. Do not use on clothing, shoes, papers, or food. Do not use on food containers, produce, or animal feed. Do not use on electrical equipment. Do not use on painted surfaces. Do not use on surfaces that will be in contact with eyes and other sensitive areas. Do not use on surfaces that will be in contact with food. May be hazardous to aquatic life. Do not use in areas where it may come in contact with water.

Keep this and all containers of this product out of the reach of children.
