DRO, INC., BROOKLYN, N. Y. 11222

**DRO
ROACH POWDER**

Active Ingredients: Pyrethrins 0.20%

Inert Ingredients: 99.80%

DIRECTIONS FOR USE

ROACHES AND WATERBUGS: Remove or snip off tip. Dust freely into crevices and cracks where insects hide, along closet shelves, into floor and wall openings, behind sink, refrigerator, stove, along plumbing. Use once or twice a week. Repeat if insects re-appear.

SILVERFISH: As above, also storage areas and behind book shelves.

ANTS: Along ant trails, entry points and as above. Avoid contamination of foodstuffs.
