

**WATERBUGS**

Silverfish Spiders Spray directly on insects if possible or as for Roaches. Also on exposed pipes.

**BROWN DOG TICKS IN PREMISES.**

As for Roaches, also repeated treatments as necessary depending on source and intensity of infestation around baseboards, window and door frames, localized areas of floors and floor coverings, wall cracks and sleeping quarters of pets. Replace fresh bedding in animal quarters following treatment. Do not treat pets or other animals directly.

**CAUTION:**

Do not use in commercial food preparation areas or in edible products areas of food processing plants. Spray on surfaces only. Do not use as a space spray. Do not apply to rugs, carpets, draperies, wall paper, or similar materials that may stain, avoid excessive wetting of plastic, rubber and asphalt surfaces such as tiles and floor coverings. Store in a cool place below 120° F.

**CAUTION CONTAINER DISPOSAL:**

Destroy empty container by perforation or crushing. Do not reuse. Bury or discard in a safe place. Keep away from children.

**CAUTION KEEP OUT OF REACH OF CHILDREN**  
**FLAMMABLE: KEEP FROM HEAT OR FLAME. DO NOT USE AS A SPACE SPRAY**  
See other cautions and directions on side panels.

**CONTENTS 32 FL. OZ. (1 U.S. QT.)**

**CAUTION: FLAMMABLE MIXTURE.**  
DO NOT USE NOR EXPOSE NEAR  
FIRE OR FLAME. DO NOT CLOSE  
UP ROOM.

NYFD No R578067  
USDA Reg No 1660 64

**DIRECTIONS FOR USE: ROACHES**

Dro Special Formulation kills Roaches by contact and when they crawl over surfaces which have been treated with Dro. Spray or brush on a spot basis only directly into infested cracks, crevices, tunnels, legs of tables. Apply locally where insects hide, run or rest. While Dro is not swept or wiped away easily, nevertheless soap and water removes film, so reapply after housecleaning. Do not allow children to contact treated surfaces until surfaces are dry.

**FOR ANTS, SILVERFISH**

Use as for roaches. For subterranean ants, pour directly into cracks and on colonies. Treat ant trails and areas around door sills and window frames, openings around water pipes, heat ducts, electrical outlets and base board, repeating as often as necessary to maintain effective control.

**CAUTION:**

This solution if brought into repeated or prolonged contact with skin can cause toxic symptoms. Harmful if swallowed. Keep out of reach of children. Avoid inhalation and skin contact. In case of spillage on skin, wash with soap and water. Avoid contamination of foodstuffs, plants. Do not use on pets or humans. Wash thoroughly after using. If misuse results in illness, get prompt medical aid.

**NOTE TO PHYSICIAN:** Atropine is antidotal.

**ACTIVE INGREDIENTS**

Petroleum distillate 79.853  
o-Isopropoxyphenyl methylcarbamate 1.0  
Beta-butoxy-beta-thioxyand  
diethyl ether 1.06  
Pyrethrins 0.025  
Technical piperonyl butoxide 0.062

**INERT INGREDIENTS 18.0**

U.S. Pat. No. 3,111,539

\*Equivalent to 0.05% (butyl arthyl)  
(6-propyl-piperonyl-ether and  
0.012% of related compounds)
