EPA reg No 1663-14

NET WT. 2 OZ.

REGISTERED

GRANT'S FLY KILL

FOR OUTDOOR USE: Directions to use:

Unwrap Fly Kill and dip complete contents in water. Wet Fly Kill thoroughly to activate its chemical action to release the ingredients that attract flies. The more flies that feed, the more attractive the Fly Kill becomes. Avoid excess wetting.

Grant's Fly Kill will continue to attract and kill flies as long as the contents remain wet and intact.

Place Grant's Fly Kill in areas inaccessible to children and pets.

Attach under Garbage Can Lids. Hang on wall by nail or twine. Refuse areas, Camps, Stables, or anywhere flies accumulate outdoors.

CAUTION:

Apply only to areas inaccessible to Children and Pets.

Do not use inside Homes.

Wash hands after using. This product contains an organic phosphate which is a cholinesterase inhibitor. Harmful if swallowed.

If swallowed call physician immediately. Atropine is antidotal.

Avoid contamination of Feed, Foodstuffs and Water.

ACTIVE INGREDIENTS	BY WEIGHT
Dimethyl (2, 2, 2-trichloro-1-Hydroxyethyl) Phosphonate*	1.0%
INERT INGREDIENTS	99.0%
