

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505P)
Ariel Rios Building
1200 Pennsylvania Ave., NW
Washington, D.C. 20460

EPA Reg. Number:

1663-32

Date of Issuance:

MAY 12 2008

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance: **Unconditional**

Name of Pesticide Product:

Grant's Kills Ants[®] Ant Control with Baygon[®]

Name and Address of Registrant (include ZIP Code):

Grant Laboratories, Inc.
 14688 Washington Ave.
 San Leandro, CA 94578

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Decision, EPA has reregistered the product listed above. This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Generic data requirements that have been identified in the RED as confirmatory data for the active ingredient contained in the subject product will continue to be tracked and assessed in the Agency's continual reassessment of pesticides.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable with the following comments:

Please see page 2 for label comments

You must submit one (1) copy of the final printed label before you release the product for shipment. Products shipped after 12 months from the date of this Notice or the next printing of the label whichever occurs first, must bear the new revised label. A stamped copy of the label is enclosed for your records. Should you have any questions, please contact Julie Chao at 703-308-8735 or chao.julie@epa.gov.

Signature of Approving Official:

Meredith F. Laws, Chief
 Insecticide-Rodenticide Branch
 Registration Division (7505P)

Date:

MAY 12 2008

Label Comments:

- On the front panel, under the product name, add the following text: **"*Excludes Carpenter, Fire, Harvester, and Pharaoh Ants."** Add an asterisk to **ALL** subsequent references to ants so they read, **"...ants*..."** The above listed types of ants require additional efficacy data.
- Under the Optional Marketing Statements, the phrase "Guaranteed to Work" **MUST** be used with the phrase "Or Your Money Back," or it must be deleted. An unqualified guarantee is not acceptable, as it contradicts the NOTICE paragraph on page 3, which states "...seller makes no warranty..."
- Change the phrase "Active Ingredients" (plural) to "Active Ingredient" (singular).
- Under the Directions for Use section, modify the first sentence of the fourth paragraph so it reads, "Grant's Ant Control System kills ants (**excluding carpenter, fire, harvester, and pharaoh ants**) now...and helps prevent their return."
- On page 3, the Warranty section contradicts the preceding NOTICE paragraph, which states "...seller makes no warranty..." Either delete the Warranty section or revise the text so it reads, "Guaranteed to work when used as directed, **or your money back.**"

[Front Panel]

Contains 8 baits - NET WT. .33 oz. ea. / TOTAL NET WT. 2.66 oz.

Contains 10 stakes - NET WT. .33 oz. ea. / TOTAL NET WT. 3.33 oz.

[BACK/SIDE/OTHER PANEL(S)]

FIRST AID	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	
If swallowed:	<ul style="list-style-type: none"> • Call poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If on skin or clothing:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 – 20 minutes. • Call a poison control center or doctor for treatment advice.
If in eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
NOTE TO PHYSICIAN: Propoxur is a reversible cholinesterase inhibitor. Atropine sulfate is antidotal and should be administered only if symptoms appear.	

PRECAUTIONARY STATEMENTS
Hazards to Human and Domestic Animals

CAUTION: Harmful if swallowed, inhaled or absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to wildlife and aquatic invertebrates. Birds and small mammals feeding on treated bait may be killed. Do not apply directly to water. Do not contaminate water by disposal of wastes. Do not apply as a landscape treatment to lawns, shrubs or trees, and garden plants.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply this product in a way that will contact any person or pet, either directly or indirectly. Keep people and pets out of the area during application.

USER SAFETY RECOMMENDATIONS: Users should wash hands before eating, drinking, chewing gum, using tobacco, or using toilet.

Grant's Ant Control System kills ants now...and helps prevent their return.
GRANT'S KILL ANTS® in their home, not yours.

GRANT'S Ant Control System contains a special formula that attracts scout ants seeking food for their colony. They take the bait back home, where it is eaten by both the queen and the worker ants. The colony stops reproducing and begins to die. The weakened or destroyed colony can no longer infest your home.

“bait station”

“stake”

Pre-cut hole provides ants access to bait.

Stake (bait station) (ant bait) is designed to push easily into ground, or be laid flat indoors, on hard ground, patios and decks.

Application Directions: Place stakes (bait stations) (ant baits) only in places inaccessible to children, pets and other non-target animals.

To control grease eating and sweet eating house ants in and around homes

Outdoors: Surround house with stakes (bait stations) (ant baits), six to eight feet apart on all sides. Place stakes (bait stations) (ant baits) at both sides of all outside doors and all corners. Larger homes or buildings may require more than one package.

Indoors: Place stakes (bait stations) (ant baits), hole side up, under sinks, on counters, behind appliances and along ant trails.

GRANT'S starts to work immediately. Some ants die in hours. Larger colonies may take a week or longer. GRANT'S works until ants have taken away all the bait. For continuing protection, replace stakes (bait stations) (ant baits) every 3 to 6 months, or sooner if stakes (bait stations) (ant baits) are empty.

Use Restrictions: Not for use in vegetable gardens. Do not contaminate food or feed. Not to be used around electrical equipment.

STORAGE & DISPOSAL

Storage: Store only in original container, in a dry place inaccessible to children and pets.

Disposal: *If empty* – Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. *If partly filled* – Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. To the extent consistent with applicable law, buyer assumes all risk of use and/or handling of this material when such use and/or handling in contrary to label instructions.

Warranty: Guaranteed to work when used as directed.
