LEFT PANEL:

STETCO PINE ODOR DISINFECTANT has powerful solvent properties, enabling it to clean thoroughly. Its pine odor masks unpleasant odors and leaves a clean, pleasant odor of Southern Pines.

Stetco Disinfectant is recommended for use by Hospitals, Industry and Public Buildings for general cleaning of floors, woodwork and lavatories.

--DIRECTIONS--

Dilutes easily with water to give a pure, stable white emulsion. For general disinfecting and cleansing purposes, use 1/2-cup Disinfectant (4 fl. oz.) per gallon of warm water. Apply so as to wet surfaces thoroughly. Allow 5 minutes contact time; rinse thoroughly. When preparing solution, put Disinfectant into pail first, add water and stir well. Never use boiling water.

RIGHT PANEL:

CAUTION:

KEEP OUT OF REACH OF CHILDREN

HARMFUL IF SWALLOWED

AVOID CONTACT WITH SKIN & EYES. Contains Chlorinated Phenol Concentrate-- will cause irritation to skin and eyes.

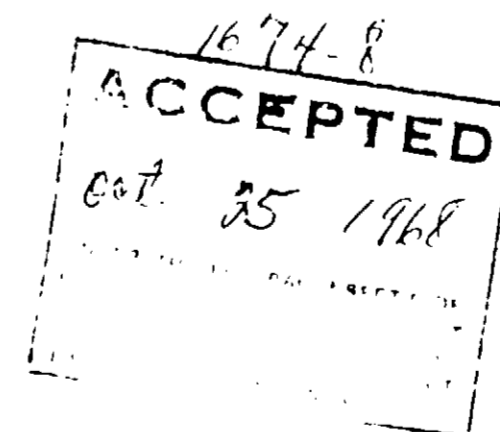

SKIN: In case of contact, flush immediately with plenty of water.

EYES: Flush with plenty of water for at least 15 minutes. Consult physician.

ALWAYS DILUTED AS DIRECTED BEFORE USING

KEEP FROM FREEZING

KEEP AWAY FROM DOMESTIC ANIMALS & FOOD STUFF
