NOTICE OF PESTICIDE:

REGISTRATION
 REREГИSTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

F-B-C

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Economics Laboratory, Inc.
Osborne Building
St. Paul, MN 55102

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Add the phrase "EPA Registration No. 1677-98" to your label before you release the product for shipment.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

BACK PANEL

FIRST AID:

EYE CONTACT: Flush freely with cool running water. Remove contact lenses, if applicable, then continue flushing with water for 15 minutes. Get Medical Attention.

SKIN CONTACT: Flush thoroughly with cool running water.

IF SWALLOWED: DO NOT induce vomiting. Immediately rinse mouth, then drink one or two glasses of milk or water. DO NOT give carbonates or bicarbonates. Get Medical Attention Immediately.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals. DANGER. May cause eye damage. Do not get in eyes. Avoid contact with skin, mucous membranes or clothing. Wear eye protection when handling. If hands are sensitive, wear rubber gloves. Harmful if swallowed. Wash with soap and water after handling. Remove contaminated clothing and wash before reuse.

Chemical Hazards: Do not mix with any other chemical products, especially bleach or mildew stain removers as toxic fumes may result. Do not use any other sprayers with F-B-C, as irritating mist may result.

4/4

BACK PANEL

F-B-C

F-B-C removes the toughest soap scum, dirt, and even hard water deposits without scrubbing. Use on bathroom chrome, fixtures, tile, sinks, shower doors, and tubs, including porcelain and fiberglass. Non-abrasive; won't scratch. Works on contact without scrubbing. Cleans, shines, deodorizes, and disinfects.

DIRECTIONS *It is a violation of Federal law to use this product in a manner inconsistent with its labeling.*

- Pull sprayer nozzle tip to fully open.
- ✓ - Spray with full quick strokes 6-8 inches from surface until thoroughly wet. Unique heavy sudsing formula cuts down on misting. TO DISINFECT: First remove gross filth and heavy soil. Then proceed as above. Allow two minutes contact time.
- RINSE promptly with water. Reclose sprayer tip for storing.

- When empty do not reuse container. Wrap it and put in trash.

NOTE: DO NOT use on natural marble, polished aluminum, or special colored grout. May etch older sinks and tubs. If in doubt, spot test hidden area first. If hands are sensitive, use rubber gloves.
