

JUN - 9 2003

Mr. Brian Broshdahl
Ecolab
370 N. Wabasha Street
St. Paul, MN 55102

Subject: Nomold
EPA Registration No. 1677-109
Amendment Date: March 10, 2003
EPA Receipt Date: March 14, 2003

Dear Mr. Broshdahl,

The following amendment submitted in connection with registration under FIFRA, as amended, is acceptable with the conditions listed below.

- Update first aid statements per PR Notice 2001-1

Conditions

Revise the label as follows:

1. The "Precautionary Statement" must be updated to reflect the following acute toxicity profile for the Didecyl dimethyl ammonium chloride.

<u>Data Requirement</u>	<u>Toxicity Category</u>
Acute Oral	II
Acute Dermal	III
Acute Inhalation	II
Primary Eye Irritation	I
Primary Skin Irritation	I
Dermal Sensitization	Slight sensitizer

Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield, protective clothing, and rubber gloves. *May be fatal if swallowed or inhaled. Do not breathe vapor. Wear a dust mist filtering respirator (MSHA/NIOSH approval # prefix TC-21C). Harmful if absorbed through the skin.* Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, or using tobacco. Remove contaminated clothing and wash before reuse.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: CORROSIVE: Causes irreversible eye damage and skin burns. Harmful if absorbed through the skin and/or swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or face shield, protective clothing, and rubber gloves when handling. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing before reuse.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

FOR EMERGENCY MEDICAL INFORMATION, CALL TOLL-FREE 1-800-328-0026

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsions may be needed.

ENVIRONMENTAL HAZARDS (5 gallons or greater): Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For effective mildew prevention use NOMOLD as directed.

- For 2 week protection, use 1/2 ounce per 100 pounds of fabric (dry weight).
- For 3 week protection, use 1 3/4 ounces per 100 pounds of fabric (dry weight).
- 2 1/4 ounces per 100 pounds of fabric (dry weight) will give long-lasting protection, for 30 days or more, against mildew.

Dilute the required amount of NOMOLD in 1 to 2 gallons of cold to warm water, then add to the washwheel-in the last operation-water level 6 to 10 inches.

After addition of the NOMOLD run operation for a minimum of 5 minutes. The sour can be added at the same time.

Renew treatment after every washing.

NOMOLD is based on a highly active TWIN CHAIN quaternary ammonium compound. It prevents musty odors and discoloration on all fabrics due to the presence of molds, mildew and fungi. The mildew

inhibition property of NOMOLD lasts a minimum of four weeks when used as directed. NOMOLD is designed for professional and institutional laundry use by addition to the final rinse or sour.

STORAGE & DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.

PESTICIDE STORAGE: Store in a dry place no lower in temperature than 50°F or higher than 120°F.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

FOR INDUSTRIAL USE ONLY
