Nomold

Fabric Mildew Preventative Inhibits and Controls Growth of Fungi

Active Ingredients:

Didecyl Dimethyl Ammonium Chloride.....50%

Inert Ingredients50%

Total:.....100%

KEEP OUT OF REACH OF CHILDREN
DANGER

FOR INDUSTRIAL USE ONLY

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: CORROSIVE: Causes irreversible eye damage and skin burns. Do not get in eyes, on skin or on clothing. Wear goggles or face shield, protective clothing, and rubber gloves. May be fatal if swallowed or inhaled. Do not breathe vapor. Harmful if absorbed through the skin. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash before reuse.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

FOR EMERGENCY MEDICAL INFORMATION, CALL TOLL-FREE 1-800-328-0026

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsions may be needed.

ENVIRONMENTAL HAZARDS (5 gallons or greater): Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For effective mildew prevention use NOMOLD as directed.

- For 2 week protection, use 1/2 ounce per 100 pounds of fabric (dry weight).
- For 3 week protection, use 1 3/4 ounces per 100 pounds of fabric (dry weight).
- 2 1/4 ounces per 100 pounds of fabric (dry weight) will give long-lasting protection, for 30 days or more, against mildew.

Dilute the required amount of NOMOLD in 1 to 2 gallons of cold to warm water and then add to the wash wheel in the last operation, water level 6 to 10 inches.

After addition of the NOMOLD run operation for a minimum of 5 minutes. The sour can be added at the same time.

2/2

Renew treatment after every washing.

NOMOLD is based on a highly active TWIN CHAIN quaternary ammonium compound. It prevents musty odors and discoloration on all fabrics due to the presence of molds, mildew and fungi. The mildew inhibition property of NOMOLD lasts a minimum of four weeks when used as directed. NOMOLD is designed for professional and institutional laundry use by addition to the final rinse or sour.

STORAGE & DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.

PESTICIDE STORAGE: Store in a dry place no lower in temperature than 50°F or higher than 120°F.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Net Contents: 30 Gal. (113.5 liters)
