## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with the label. To use of this product, remove dirt and soil by a pre-rinse or necessary pre-soak treatment, then wash with detergent solution followed by a final rinse.

## SANITIZING

1. Prepare a 1:100 dilution of MIKROCIDE solution (titratable iodine). Note water.
2. Immerse low pressure and rinsed equipment in MIKROCIDE sanitizing solution for a 2 minute contact time allowed by drain through.

**NOTE:** This solution must be used at a concentration that has been determined by the manufacturer for each time used.

## ENVIRONMENTAL HAZARD

This product is not to be discharged into streams or ponds. If discharged into lakes, streams, or rivers, the water will not be suitable for drinking. Do not discharge into water bodies.

## STORAGE AND DISPOSAL

Store in a cool, dry place. Do not store in plastic containers. Do not use for drinking water. Do not use for irrigation.

## CONTAINER DISPOSAL

Do not reuse. Do not use for drinking water. Do not use for irrigation.

## PESTICIDE DISPOSAL

Do not use for drinking water. Do not use for irrigation.

## OTHER INFORMATION

Do not use for drinking water. Do not use for irrigation.
