DIRECTIONS FOR L It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Prior to use of this product, remove gross food

particles and soil by a pre-flush, or pre-scrape and, when necessary, pre-soak treatment from all surfaces, then wash with detergent or other cleaning solution followed by a thorough potable water rinse.

To prepare a sanitizing solution, add 1 fluid ounce of PENNSAN NR to 5 gallons of water which will provide 200 ppm of dodecylbenzene sullonic acid as determined by the use of test kit according to its instructions. Allow 2 minutes for exposure time.

DAIRY AND FOOD PLANTS

Tank trucks, holding tanks, silos, vats and plant equipment: Sanitize pre-cleaned equipment with PENNSAN NR (1 ounce/5 gallons of water). Drain PENNSAN NR solution from equipment.

CIP Lines - closed system: Flush entire system with tepid water until water runs clear, then sanitize with PENNSAN NR (1 ounce/5 gallons of water) by circulation through lines. Drain sanitizing solution from the system.

BEVERAGE PLANTS

33.79%

Pre-mix and post-mix vending machines, plant equipment: Sanitize pre-cleaned surfaces with PENNSAN NR (1 ounce/5 gallons of water). Drain sanitizing solutions from the system.

STORAGE AND DISPOSAL

Keep container closed and store in a cool place when not in use. In case of spill, flood area with large quantities of water. Triple rinse empty container with water and either return to manufacturer or discard by placing in trash collection or burying in an approved landfill. Product or rinsate that cannot be used should be diluted with water, neutralized with sodium carbonate and disposed of in a sanitary sewer. Do not contaminate food or feed by storage, disposal or cleaning of equipment. The phosphorus content is 15.4%.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Keep out of lakes, streams or ponds. Treated effluent may not be discarded into lakes, streams, ponds or public waters without a valid discharge permit. For guidance, contact the regional office of the Environmental Protection Agency.
