

## DIRECTIONS.

### METHODS OF APPLICATION

- (1). State Roach and Ant Killer is a highly effective ready to use formulation and should be applied with low-pressure sprayer with coarse spray nozzle, or:
- (2). Apply State Roach and Ant Killer with a brush, which is very satisfactory, or:
- (3). Use an oiling can which will also serve for applying this insecticide.

#### For the control of Roaches and Waterbugs:

Apply State Roach and Ant Killer wherever these insects and their runways are suspected. Thoroughly treat baseboards, cracks and crevices, around window and door frames, around garbage and waste containers, around floor drains, sinks and other places where these insects may harbor.

#### For the control of Ants:

Apply State Roach and Ant Killer to trails and places where ants enter premises such as around window and door frames. Spray hills and runways outdoors.

For the control of Spiders: (also clover mites, crickets, earwigs, millipedes, centipedes, sowbugs and scorpions).

Apply State Roach and Ant Killer as a wet spray along infested baseboards and corners. Thoroughly spray interior and exterior perimeter of the infested premises.

For control of Mosquitoes: (also fleas, flies and gnats).

Outdoor Use Only — Spray infested areas thoroughly including outside surfaces of screens, doors, window frames, foundations and other areas where insects may enter.

Petroleum Distillate	84.00%
	85.00%
INERT INGREDIENTS	15.00%
	100.00%

\*U.S. Patent No. 3,111,539

®Baygon is the registered trademark of the German trademark proprietor, Leverkusen.

## CAUTION: KEEP OUT OF REACH OF CHILDREN

(See side panel for additional cautions)

For Industrial and Institutional Use Only

EPA Reg. No. 1685-69

NET CONTENTS

## CAUTION

Do not use as a space spray. Provide adequate ventilation of areas being treated. May be harmful if swallowed, inhaled or absorbed through skin. Do not get on eyes, skin or on clothing. Wash after handling.

Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

Do not apply to animals. Remove pets and cover fish bowls before spraying. Do not spray plants.

Do not use, pour, spill or store near heat or open flame.

Keep children and pets off the treated areas until surfaces are thoroughly dry.

Toxic to fish and wildlife. Keep out of lakes, ponds and streams. Do not apply where runoff is likely to occur. Do not apply where weather conditions favor drifts from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

Do not reuse empty container. Destroy by perforating or crushing and burying in a safe place.

## ANTIDOTE

EXTERNAL: In case of spillage on skin, wash promptly with soap and water.

INTERNAL: Call a Physician immediately. Atropine sulfate is antidoted.
