### RESIDUAL ROACH & ANT SPRAY

#### DIRECTIONS

In addition to rapid initial kill, State RAS is designed to provide residual effect indoors on treated surfaces for up to 2 weeks after the spray deposit has dried. Spray only on surfaces — Do not use as a space spray.

#### INDOOR USE:

Roaches and Ants (also controls crickets, silverfish, spiders, scorpions and waterbugs): Spray into cracks, crevices, around baseboards and other places where insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves and in and around waste containers. For ants, spray trails and places where ants enter premises. Repeat as needed.

#### OUTDOOR USE:

Ants (also controls Clover Mites, Crickets, Earwigs, Fleas, Flies, Hornets, Millipedes, Mosquitoes, Sowbugs, Wasps and Brown Dog Ticks): Spray infested areas thoroughly including outside surfaces of screens, doors, window frames, foundations or other places where insects may enter. For ants, spray hills and runways. Repeat as necessary. Do not spray vegetation.

#### ACTIVE INGREDIENTS:

*O-Isopropoxyphenyl methylcarbamate	1.00%
Petroleum Distillate	58.50%
Subtotal	59.50%
INERT INGREDIENTS	40.50%
TOTAL	100.00%

\*U.S. Patent No. 3,111,539

43605

#### WARNING:

#### KEEP OUT OF REACH OF CHILDREN

Flammable contents under pressure. Do not use near fire, sparks or flame. Do not smoke while spraying. Do not puncture or incinerate container. Exposure to temperature above 130 degrees F. may cause bursting.

May be harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contacts with skin, eyes or clothing should be avoided. Wash thoroughly after using. Should illness occur, get prompt medical aid. (To Physician — Atropine sulfate is antidotal.)

Do not allow children in treated areas until surfaces are dry.

Avoid contamination of food, feed stuffs, utensils and food preparation areas. Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.
