STATE FORMULA 362 NO RINSE CLEANER/SANITIZER is a powerful disinfectant, deodorizer, and sanitizer. It is designed for use in hospitals, institutions, and other high-traffic areas. It kills germs, removes odors, and prevents mildew growth.

This product is a strong oxidizing agent. It may cause skin irritation and damage to certain materials. Use with care and avoid contact with eyes, nose, mouth, and skin.

Deodorizer - Use on surfaces to remove odors. Apply to the surface and allow to dry. Do not use on fabrics or other porous materials.

Disinfectant - Use on hard surfaces to kill germs. Apply to the surface and allow to dry for the full contact time. Do not use on fabrics or other porous materials.

Mildewstat - Use on hard surfaces to prevent mildew growth. Apply to the surface and allow to dry. Do not use on fabrics or other porous materials.

Sanitizer - Use on hard surfaces to reduce the number of germs. Apply to the surface and allow to dry.

STORAGE AND DISPOSAL

Store in a cool, dry place. Do not store near heat or open flames. Dispose of the product in accordance with local regulations.

PESTICIDE DISPOSAL - Follow the instructions on the label for the disposal of this product. Do not pour down the drain or into the water supply.

CONTAINER DISPOSAL - If the container is damaged, do not use the product. Dispose of the container in accordance with local regulations.

GENERAL - For more information, contact the manufacturer. This product is a registered pesticide under the Federal Insecticide, Fungicide, and Rodenticide Act.
