Gentlemen:

Subject: No-Mix Terg-O-Cide
EPA Registration No. 1685-92
Your Submission Dated November 9, 1984

The amendment referred to above, submitted in connection with registration under the FIFRA sec. 3(c)(7)(A), is acceptable, provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed before you release the product for shipment bearing the amended labeling:

- a. Delete the words: General classification.
- b. Revise the word: WARNING to read CAUTION (two locations, center and left panel). Ref: The toxicity data you referenced.
- c. Delete the Note to Physician section
Ref: The toxicity data you referenced.
- d. Delete the statement: Harmful if swallowed.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment.

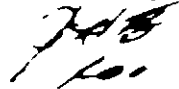

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

DIRECTIONS FOR USE GENERAL CLASSIFICATION

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

NO MIX TERGO-CIDE has been designed specifically for Household and institutional cleaning and disinfecting in Homes, Nursing Homes, Hospitals, Offices, Schools, Motels and Hotels.

DISINFECTION, CLEANING AND DEODORIZING: To disinfect, clean and deodorize hard nonporous surfaces such as bathroom tiles, fixtures, shower stalls, walls, sinks and bathtubs, proceed as indicated below:

1. Hold container six to eight inches from surface to be treated. 2. Spray area to be treated with the solution. Allow the product to penetrate and remain wet for 10 minutes. No scrubbing necessary. 3. Wipe off with a clean cloth, mop or sponge. The product will not leave grit or soap scum. For heavily soiled areas, remove gross soil before treatment.

MOLD AND MILDEWSTAY: To control mold and mildew on hard nonporous surfaces such as floors, walls, table tops, spray the surfaces to be treated, making sure to get completely wet. Let air dry. Repeat application at weekly intervals or when mildew growth reappears.

PRECAUTIONARY STATEMENTS HAZARD TO HUMANS AND DOMESTIC ANIMALS WARNING

Keep Out of Reach of Children. Causes eye and skin irritation. Do not get in eyes, skin or on clothing. Harmful if swallowed.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a physician immediately.
IF IN EYES: Immediately flush eyes with plenty of water for at least 15 minutes. Call a physician.
IF ON SKIN: Immediately flush skin with plenty of water for at least 15 minutes. Remove and wash all contaminated clothing before reuse.

NOTE TO PHYSICIAN

Probably mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.
