# SUPERTOIX

The highest quality coal tar disinfectant possible to make. Use throughout the house for disinfecting, deodorizing, and cleaning. Always mix with water. Use 200 parts of water to 1 part of disinfectant for general disinfecting purposes.

## DIRECTIONS FOR USE

**IN HOUSEHOLD** — One cup of SUPERTOIX to each pail of water taken for scrubbing, mopping, etc.

**GARBAGE CANS AND CUSPIDORS** — Sprinkle with one cup of SUPERTOIX solution to a gallon of water. Rinse the can again with some of the solution and leave the wash in the can. SUPERTOIX helps to prevent breeding of flies and certain insects.

**WATERCLOSETS AND URINALS** — Flush bowls regularly with SUPERTOIX solution in the proportion of one-half cup to a gallon of water. Scrub the floor and seats frequently with SUPERTOIX solution.

**FOR ANIMAL QUARTERS** — Keep the stables, barns, kennels, and pens thoroughly clean. Mop and spray freely with a solution of SUPERTOIX in the proportion of one cupful to a pail of water. Scrub all flooring with the same solution.

### ACTIVE INGREDIENTS:

Coal Tar Neutral Oils  
Soap - Phenols

### INERT INGREDIENTS:

Water 10%

**CAUTION:** May be fatal if swallowed or absorbed through skin. May produce severe burns. Do not get in eyes, on skin, or on clothing. Avoid breathing spray mist. Wash thoroughly after handling.

**WARNING:** Keep out of reach of children.
