# SUPERTOXX

The highest quality coal tar disinfectant possible to make. Use throughout the house for disinfecting, deodorizing, and cleaning. Always mix with water. Use 60 parts of water to 1 part of disinfectant for general disinfecting purposes.

## DIRECTIONS FOR USE

**IN HOUSEHOLD** — One cup of SUPERTOXX to each pail of water taken for scrubbing, mopping, etc.

**GARBAGE CANS AND CUSPIDORS** — Sprinkle with one cup of SUPERTOXX solution to a gallon of water. Rinse the can again with some of the solution and leave the wash in the can. SUPERTOXX helps to prevent breeding of flies and certain insects.

**WATERCLOSETS AND URINALS** — Flush bowls regularly with SUPERTOXX solution in the proportion of one-half cup to a gallon of water. Scrub the floor and seats frequently with SUPERTOXX solution.

**FOR ANIMAL QUARTERS** — Keep the stables, barns, kennels, and pens thoroughly clean. Mop and spray freely with a solution of SUPERTOXX in the proportion of one cupful to a pail of water. Scrub all flooring with the same solution.

## ACTIVE INGREDIENTS:

Coal Tar Neutral Oils

Soap • Phenols
