CAUTION:

KEEP OUT OF REACH OF CHILDREN

This product is toxic to fish and wildlife. Keep out of any body of water. Do not contaminate water by cleaning of equipment, or disposal of wastes and containers. Apply this product only as specified on this label.

For external use only. Keep away from food and mess gear. Respirator or face mask should be used if powder is dispensed into air with dust gun or blower and one hour allowed for dust to settle before reentering.

The following additional precautions should be observed:

- If possible, individuals should bathe before being dusted.
- Do not dust individuals who have insect repellents, oil, or grease on the skin.
- When dusting by hand or machine, do not apply more than 2 ounces to each person.
- Do not redust for seven (7) full days after a previous dusting.
- Avoid prolonged breathing of dust.

INSTRUCTIONS FOR USE

For head or crab lice:

Dust into infested hairy portions of body and work down to base of hair with finger tips. Repeat at end of 1 and 2 weeks to kill lice hatched from eggs.
