HELPS PREVENT MILDEW

Kills moths

NET WEIGHT ONE POUND

HELPS PREVENT MILDEW

Mabex Nuggets are 100% Paradichlorobenzene

Kills Clothes Moths, Moth Larvae, Moth Eggs

Odor will not cling to clothes

Overcomes many unpleasant odors

Active Ingredients 100%

Paradichlorobenzene

DIRECTIONS for storing woolen clothing and furs: Brush articles thoroughly and remove all stains before storing. Sprinkle a quantity of Mabex Nuggets at bottom of container used for storing. Spread Mabex Nuggets between layers of articles and place a liberal quantity on top. Keep containers closed as tightly as possible for at least seven days. Repeat treatment before nuggets are entirely evaporated. Use one ounce of Mabex Paradichlorobenzene Nuggets to every three cubic feet of confined space in tight containers, such as storage closets, storage trunks, etc. If storage containers are opened, add sufficient Mabex Paradichlorobenzene Nuggets to replace used portion and keep closed for at least seven days after treatment.

CAUTION: Mabex Paradichlorobenzene Nuggets should not be mixed or placed in contact with other moth preventive chemicals. Do not place on polished, painted or plastic surfaces.

Net weight One Pound
