## 75% EMULSIFIABLE CHLORDANE CONCENTRATE

### DIRECTIONS:

**Subterranean Termites:** Winru 75% Emulsifiable Chlordane may be used as an aid in the control of Subterranean termites.

**Ground Treatments:** Dilute Winru 75% Emulsifiable Chlordane at the rate of 1 part concentrate to 49 parts water and apply in trench at the rate of one gallon of mixed spray per linear foot. Trench should be 30" deep around foundations, but not below footings. Be sure to treat entire area around buildings. Annual inspection should be made for possible reinfestations. Winru 75% Emulsifiable Chlordane when diluted as directed above will not cause phytotoxicity.

**Roaches:** To control exposed stages apply as a 2% emulsion (14 oz. in 5 gallons of water) spraying thoroughly in all cracks and crevices and other hiding places. Repeat treatment as needed.

**Ants:** Apply as a 2% emulsion directly to ant trails and areas around door sills and window frames.

USDA Reg. No. 1700-51

A water dispersible chlordane concentrate containing 75% technical chlordane.

### ACTIVE INGREDIENTS:

\*Technical Chlordane ..... 75%  
Petroleum Distillate ..... 10%

### INERT INGREDIENTS: .....

\*Equivalent to 45% of Octachloro-4,7-Methanotetrahydroindane ..... 100%  
and 30% of related compounds.

### CAUTION: KEEP OUT OF REACH OF CHILDREN.

Avoid inhalation and skin contact. In case of spillage on skin wash with soap and water. Avoid contamination to feed and foodstuffs.

This solution if brought into contact with the skin can cause toxic symptoms.

This insecticide should not be stored, sprayed or otherwise exposed toward or near an open flame.

See right panel for additional cautions.

### DIRECTIONS (Continued):

**Buildings:** Winru 75% Emulsifiable Chlordane applied as a residual spray in barns, stalls and similar buildings. It is effective against ants, cockroaches, brown dog ticks, and particular attention to cracks in stalls and quarters of animals. Apply as a 2% solution (5 gallons of water) making application weekly or oftener if exposed to weathering.

Do not use in dairy barns, milk houses, grain or bulk food storage bins.

### CAUTION:

Use only according to label directions. NOT FOR HOUSEHOLD USE. DO NOT APPLY TO PRODUCTS AREAS OF FOOD PROCESSING. Do not contaminate water by cleaning or disposal of wastes.

Do not reuse empty drum. Return to dealer or destroy by perforating or crushing in a safe place.
