Cleaner & Disinfectant

A unique 5-in-1 product. It is a DISINFECTANT, CLEANER, DEODORIZER, FUNGICIDE & SANITIZER. Kills household germs and pathogenic fungi, such as "Athletes Foot Fungi" on environmental surfaces.

For general cleaning & disinfecting: Walls, Floors, Woodwork, Showers, Tile, Enamel, Garbage Cans, Bathrooms, Diaper Pails, Pet Areas, and Finished Wood Surfaces (such as Closets, Storage Areas, Cellars and Garages).

Directions: Wipe, mop or scrub surface to be treated. For all washable surfaces: Use 1/4 cup in half a pail (1 gallon) of warm water. No hard rubbing or rinsing is necessary. For sensitive skin, use rubber gloves.

For disinfecting of toilet bowls: Use 1 1/2 ozs. of full strength in bowl.

For tough cleaning jobs: Use full strength on Lipstick, Tar, Scuff Marks, Gum, Oil, Grease and Whitewall Tires and then rinse.

NOTE: Surfaces which come in contact with food should be rinsed with tap water before reuse.

DANGER: KEEP OUT OF REACH OF CHILDREN. Corrosive. Do not get in eyes, on skin or on clothing, as direct contact can cause eye damage and skin irritation. Protect eyes and skin when handled. Harmful if swallowed. Avoid contact with food.

FIRST AID and ANTIDOTE: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician, remove and wash contaminated clothing before reuse. If swallowed, promptly drink a large quantity of water, egg whites or gelatin solution or if these are not available, drink large quantities of water. Call a physician immediately.

NOTE: For Physicians: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed. Continue to monitor for convulsions, depression, and respiratory distress.

Contains Bleaching Disinfectant, Deodorizer, Fungicide, and Sanitizer. Kills household germs and pathogenic fungi, such as "Athletes Foot Fungi" on environmental surfaces.

Do not contaminate water, or land, by storage or disposal. Open dumping is prohibited.

STORAGE AND DISPOSAL

Pesticide wastes are toxic. Improper disposal of excess pesticide, spray, mixture, or residue in violation of Federal Law. If these wastes cannot be disposed of by use according to these instructions, contact your State Pesticide or Environmental Control Agency, or the nearest State representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

Triple rinse for equipment. Then offer for recycling or reconditioning, or purchase and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY

Apart from the claims on this label, there is no warranty, representation or condition of any kind, expressed or implied (including no warranty of merchantability) concerning material sold hereunder or containers in which shipped. By purchase and use of the product, user assumes all risks and waives all claims against the manufacturer or distributor, whether based on negligence or breach of warranty, strict liability tort or any other cause of action connected with the use of the product or other than strict accordance with the directions and warnings given on the label.
