BLP NGX MILDEW
 FOR LATEX PAINT

KEEP OUT OF REACH OF CHILDREN
 See back panel for full directions
 ACTIVE INGREDIENTS

Add contents of this container to 1 gallon water thinned (latex) paint. This gives excellent protection against mildew. Does not discolor the paint. May be used in any Exterior or Interior Latex Paint. Wash mildewed surface with a solution of 1/2 cups of Clorox and 3 tablespoons of Tri-Sodium Phosphate to a gallon of water prior to painting. Clean, unmildewed surfaces. do not require washing.

WARNING: May cause eye damage, causes skin irritation. Harmful if swallowed. Do not get in eyes. Avoid contact with skin. In case of contact immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention. Wash skin with soap and plenty of water. Rinse empty container thoroughly with water and discard it.
