Clean-Flo tablets
needed in the
plant.

Clean-Flo is a
chlorine.

When system is in operation, add Clean-Flo tablets to the chlorine contact tank covers 1/2 of a one pound tank or chlorine contact tank treatment. (1 pound for each 5 ppm chlorine needed per 1,000 gpd. of wastewater.) (Apply 1/2 lb. with a 5 ppm chlorine demand. 2 pounds of Clean-Flo to the raw wastewater treatment Compound would need to be mixed with water at normal chlorine conditions.) Actual usage of Clean-Flo wastewater treatment Compound would be 1/6 pound per 10,000 gpd per day for each 5 ppm of chlorine.

Treated effluent should flow into chlorine contact tank for required retention time before discharge. (Contact local health Department for required retention times.)

Chlorine residuals and pH should be checked regularly with a reliable test kit.

DANGER: KEEP OUT OF REACH OF CHILDREN.

Corrosive, causes eye damage. May be fatal if swallowed. Do not get in eyes, on skin or on clothing. Irritating to nose and throat. Avoid breathing dust. May cause burns to broken skin. Wash hands after handling.

FIRST AID: If swallowed feed gruel, cooked cereal, or bread soaked in milk, followed by olive oil or cooking oil. In case of personal contact, remove excess material and flush skin or eyes with cold water for at least 15 minutes. For eyes get medical attention. Remove and wash contaminated clothing before reuse.

DANGER: STRONG OXIDIZING AGENT.

Mix only with water. Use clean dry utensils. Contamination by moisture, organic matter, or other chemicals may liberate hazardous gases. Store in a cool, dry well ventilated area away from heat or open flame. Decomposes at 350° - 475° with liberation of harmful gases. In case of decomposition, if possible, isolate container in open air. Flood with large amounts of water. Keep container tightly closed when not in use. Rinse empty container thoroughly with water to dissolve all material before discarding.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public waters. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on the label.

DO NOT REUSE CONTAINER. RINSE THOROUGHLY WITH WATER AND DISCARD IT.
