PUMP STRENGTH PINE-SOL® SPRAY CLEANER

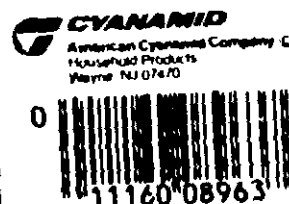

DOES MORE THAN CLEAN: It kills germs that cause household odors. Ready to use PINE SOL Spray Cleaner really does the big jobs because it cleans as it disinfects. Dissolves greasy grime and film. No rinsing needed except on asphalt tile. Cleans and disinfects most washable surfaces. Walls, tiles, sinks, bathtubs, showers, kitchen cabinets and similar household surfaces where odors and stains can be a problem. Avoid food contact surfaces. Controls mold and mildew. Disinfects against athlete's foot fungus on floors, tiles, finished wood, and other hard non porous surfaces.

DIRECTIONS FOR USE

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
1. Shake gently to disperse grease cutting germ killing pine oil.
 2. Hold sprayer approximately 6 to 8 inches from surface to be cleaned. Spray until surface is thoroughly wet. Let stand for 10 minutes, then wipe with paper towel, clean damp sponge or cloth. For highly soiled areas, clean excess dirt first.
 3. For stubborn stains or grime, a second application may be necessary.
 4. Repeat treatment for mold and mildew control once a week or as required.
- STORAGE/DISPOSAL:** Do not reuse empty container. Wrap container in plastic bag and discard.
