PINE-SOL

**THE MULTI-PURPOSE CLEANER
THAT KILLS HOUSEHOLD GERMS TOO***

FOR FLOORS, WALLS, AND SIMILAR SURFACES . . . PINE-SOL does the big jobs better because it cleans as it disinfects. Dissolves old wax, greasy grime and film . . . even removes crayon marks. No rinsing required, except on rubber or asphalt tile. Use ¼ cup per 1 gallon water. For extra tough jobs, use full strength, but rinse immediately.

KITCHEN . . . Kitchen floors collect both traffic dirt and germs. Use ¼ cup per gallon of water, or full strength anywhere greasy dirt is a problem.

BATHROOM . . . Great for cleaning and sanitizing basins, tubs, and tiles. Leaves everything bright and clean . . . kills household germs. Odors disappear instantly. Use ¼ cup per gallon of water, or full strength where odors are a problem.

**For effective disinfectant action, surfaces must be thoroughly wet with PINE-SOL.*

FOR CLEAN, FRESH, HYGIENIC LAUNDRY/DIAPERS . . . For extra cleaning power plus deodorizing action, add ½ cup PINE-SOL with regular soap or detergent. Makes laundry fresh and odor free . . . especially good for grimy work clothes. For stubborn stains and spots, pre-dampen with full strength PINE-SOL before adding to wash load. To kill odor-causing bacteria in diapers, pre-soak in ½ cup of PINE-SOL per gallon of water.

ACTIVE INGREDIENTS: Pine Oil 30.0%, Isopropanol 10.9%, Soap 10.0%.

INERT INGREDIENTS: 49.1%.

Contains no phosphorus.

CAUTION: If swallowed, do not induce vomiting; this may be harmful. Keep out of eyes. If contact occurs, wash eyes immediately with water. Avoid contact with food. Rinse empty container with water before discarding.
