

Directions for Use:

Remove cap and place in the bottom corner of the water tank. Reko Flush-All scientifically cleans minerals, stains, and rust from the toilet bowl with every flush. Reko Flush-All deodorizes the toilet bowl, eliminates strange odors and sanitizes bowl surfaces the chlorinated water touches. Does not harm the fixtures or septic systems — assures a more thorough flushing action by helping keep chase and jets clean.

DANGER:

Keep Out of Reach of Children. See
antidote statement and other precau-
tions on the side panel.

DANGER

KEEP OUT OF REACH OF CHILDREN

May be Fatal or Harmful if Swal-
led. May produce severe chemi-
cal burns. Do not get on skin or in eye.
In case of skin or eye contact, flush
with plenty of water. If skin irri-
tation persists, get medical attention.

ANTIDOTE: External -- Wash thor-
oughly with water. For eyes,
prompt medical attention. Intern-
ally -- Give milk, water, or egg white.
Call Physician immediately.

Active Ingredient:
Calcium Hypochlorite 7%
Inert Ingredients 3%

Strong oxidant. Do not mix Flu-
sh-All with other chemicals. Noxious
gases or combustion may result. Use
only as directed and for the purpose
stated on the label on the side panel.
Rinse empty container with water
before discarding to waste. Do not
discard into incinerator.
