

## USES

A powerful disinfectant and germicide of pleasing odor. Useful in mopping or scrubbing floors, walls, toilet seats, urinals, and garbage cans.

Because of its pleasing odor, PINE OIL DISINFECTANT is adaptable for use in hotels, banks, factories, and public buildings.

**CAUTION:** Avoid contamination of foodstuffs. Do not take internally. Concentrate may cause skin irritation or damage to eyes. In case of contact, wash thoroughly with water. If irritation persists, get medical attention.

Harmful if swallowed. If swallowed, do not induce vomiting. Vomiting may be harmful. Consult Physician. Keep out of eyes. If contact occurs, wash eyes immediately with water. Avoid contamination of food.

Rinse empty container thoroughly with water and discard it.
