

E.P.A. REG. NO. 1750-46

USES

Sani-Det is an excellent laundry detergent plus a sanitizer, deodorizer, fabric softener and anti-stat. This product sanitizes the laundry during the wash cycle, sanitizes the wash water and leaves a finish on the fabric which is bacteriostatic to Staphylococcus aureus and Escherichia coli. It reduces the hazard of "Staph" cross-contamination in laundered garments, gowns, sheets, blankets and other clothing.

SANI-DET cleans and deodorizes clothing. It leaves clothing clean, soft, fresh and sweet and it keeps clothing fresh during storage. Sani-Det conditions, softens and reduces static electricity in laundered clothes. Sani-Det launders all types of fabrics.

Do not reuse container. Destroy when empty.
