OCIDE 285

CONTROL OF BACTERIA AND FUNGI

WARNING

FOR INDUSTRIAL USE ONLY

Controls bacteria and fungi in paper mills, pulp mills, recirculating cooling water systems. To be used under the direction of your DREW Technical Service Engineer.

Biocide 285 is a toxic material. Causes eye burns and skin irritation. Harmful or fatal if swallowed or absorbed through the skin. Avoid breathing vapor or mist. Use with adequate ventilation. Keep container closed. Do not use, pour or store near heat or open flame. Wear goggles or face shield and rubber gloves when handling. Do not take internally. In case of contact, immediately wash skin with plenty of soap and water, for at least 15 minutes and get medical attention. Remove and wash contaminated clothing before re-use.
