 Fungicide, and Rodenticide Act
 as amended, for the pesticide
 registered under
 EPA Reg. No. **1757-43**

BIOSPERSE 212

**MICROBIOCIDAL
 FOR INDUSTRIAL USE ONLY**

This product provides excellent control over bacterial and fungal slime formation in cooling towers and similar recirculating cooling water systems. The product also provides effective microbiocidal control in oil field water systems and in industrial recirculating water systems such as petrochemicals.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Refer to the BIOSPERSE 212 Microbiocide Product Data Sheet for use directions and other technical information.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food, or feed by storage or disposal. Avoid extreme heat or freezing. Keep container closed.

DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Triple rinse (or equivalent) all containers then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Plastic containers may also be disposed of by incineration or if allowed by state and local authorities, by burning. If burned, stay out of smoke.
