

1757-58 PIFRA

17 MAY 1985

Drew Chemical Corp.
 One Drew Chemical Plaza
 Boonton, NJ 07005

Attention: Rochelle B. Galiber
 Supervisor, Gov't. Regulations

Gentlemen:

Subject: Biosperse® 284
 EPA Registration No 1757-58 ✓
 Amerstat® 282
 EPA Registration No. 1757-40
 Your Amended Application Dated March 20, 1985

The amendment referred to above, submitted in connection with registration under PIFRA, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. Delete the words "GENERAL CLASSIFICATION."
 - b. Revise the "Environmental Hazards" section of the label to read as follows:

This pesticide is toxic to fish. Do not apply in marine and/or estuarine oil fields. Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

- c. Include the headings "Pesticide Disposal" and "Container Disposal" in the Storage and Disposal section.
 - d. A Note to Physician statement should be included in the precautionary labeling. (Refer to your labeling for EPA Registration No. 1757-63.)
2. Submit five (5) copies of your final printed label and bulletins before you release the product for shipment.

Stamped copies of the labels and bulletins for these products are enclosed for your records.

Sincerely yours,

John H. Lee
Product Manager (31)
Disinfectants Branch
Registration Division (TS-767c)

BIOSPERSE® 284

MICROBIOCIDE FOR INDUSTRIAL USE ONLY

This product is active against slime forming bacteria, sulfate reducing bacteria, algae and fungi in industrial recirculating water cooling towers, air washers, pasteurizers, evaporative condensers and oil field water systems.

DIRECTIONS FOR USE

GENERAL CLASSIFICATION:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Refer to the BIOSPERSE® 284 microbiocide Product Data Sheet for use directions and other technical information.

STORAGE AND DISPOSAL

STORAGE. Do not contaminate water, food, or feed by storage or disposal. Containers should be stored in a cool, dry, well ventilated area away from flammable materials and sources of heat or flame. Store away from foodstuffs or animal feed. Exercise due caution to prevent damage to or leakage from the container. Do not store above 103°F (39°C).

DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinse is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Triple rinse (or equivalent). All containers then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Plastic containers may also be disposed of by incineration or allowed by state and local authorities, by burning. If burned, stay out of smoke.

Manufactured in the United States
ES 501 R 12/84

ACTIVE INGREDIENTS:
Methylene bis (thiocyanate) 10.0%
INERT INGREDIENTS* 90.0%
*Includes dispersing agents

KEEP OUT OF REACH OF CHILDREN

DANGER

STATEMENT OF PRACTICAL TREATMENT

If swallowed: Promptly drink a large quantity of milk, beaten egg whites or gelatin solution. If these are not available, drink large quantities of water. Avoid alcohol. Call a physician at once. Never give an unconscious person anything by mouth.

If on skin: Immediately flush contacted area with copious quantities of water for at least 15 minutes. Remove and wash contaminated clothing.

If in eyes: Immediately flush eyes with plenty of water for at least 15 minutes. Call a physician.
