

QUILL is a powerful disinfectant and sanitizer designed for use in general and industrial cleaning. Wear goggles and gloves when you use it in those areas which are prone to bacterial growth, such as GARBAGE PAILS, SINK TAPS and BATHROOM AREAS, which are prone to infections caused by the growth of some microorganisms. Effective against *Staphylococcus aureus* and *Salmonella choleraesuis* at 2 ounces per gallon. Also effective against pathogenic fungi. Toxicity not intended at this use dilution.

At 10 ounces per gallon, a hospital disinfecting solution can be made.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a Physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites and gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a Physician immediately.

WARNING

KEEP OUT OF REACH OF CHILDREN

Causes severe eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield when handling. Harmful or fatal if swallowed. Avoid contamination of food.

QUILL

CLEANER — DISINFECTANT — DEODORIZER — FUNGICIDE

REGISTERED TRADEMARK OF
 QUILL CHEMICAL COMPANY
 1000 WEST 10TH AVENUE
 DENVER, COLORADO 80202
 U.S. PATENT OFFICE
 PATENT NO. 2,811,117

WARNING

KEEP OUT OF REACH OF CHILDREN
 See Side Panels for Additional Warnings

EPA Reg. No. 1762-28

USE DIRECTIONS:

Used at 2 ounces per gallon this product will provide 500 ppm quaternary to the use solution. This is enough for general disinfection, fungicidal activity against pathogenic fungi and deodorizing. If a pseudomonocidal product is required, then 3 ounces per gallon will be required. For heavy soil, a precleaning step is required, before using QUILL.

For best results, use QUILL with a cloth or mop and apply to walls, floors and other hard surfaces.

To sanitize precleaned food equipment or other food contact items, use 4 ounces of QUILL to 5 gallons of water (200 ppm of active quaternary).

Rinse empty container thoroughly with water and discard.
