USE DIRECTIONS

SERF

CLEANSER DISINFECTANT DEODORIZER FUNGICIDE

FIRST AID

In case of contact, immediately flush exposed skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing. If swallowed, drink promptly a large quantity of milk or white gelatin solution or if these are not available, drink large quantities of water. Avoid food. Call a physician immediately.

NOTE TO PHYSICIAN

Severe mucosal damage may contraindicate the use of further lavage. Measures against circulatory shock and respiratory and convulsions may be needed.

DANGER

KEEP OUT OF REACH OF CHILDREN

Causes severe eye and skin damage. Do not get in eyes. Avoid contact with your clothes or face, hand and other exposed parts of your body. Harmful or fatal if swallowed. Avoid contamination of food.
