

[1769-33]

National Lethex Concentrate is a highly concentrated oil soluble insecticide formulated to be added to convert residual insecticides to fast knock-down sprays.

National Lethex Concentrate may also be used as a contact insecticide when properly diluted.

**DIRECTIONS:**

To 15 gallons of a properly diluted oil soluble residual spray add 1 gallon of National Lethex Concentrate. At this dilution the spray will give effective knock-down against flies and mosquitoes in both thermal and mist machines.

Nature's light is a constant, an instantly available, non-polluting resource, and is the sector of formulation that is likely to attract a substantial investment of capital. It is a green space.

Not a bona fide Contractor, as  
no work was performed, and  
no other property taken.

To the authors of a property interest in a thing, the law of torts is a branch of the law of property. It is a branch of the law of property because it is a branch of the law of the right to the thing. It is a branch of the law of the right to the thing because it is a branch of the law of the right to the thing.
