

Use on toilet seats, wash basins, door knobs, waste baskets, lockers, shower curtains, mattress covers, laundry carts, closets, athletic equipment, bed frames, diaper pails, telephones, hampers and other similar areas and equipment. Deodorizes and reduces the hazard of cross-infection from environmental surfaces.

WARNING: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator. Do not get in eyes. In case of contact with eyes, flush at once with water. If irritation persists, get medical attention. Avoid prolonged contact with skin. Avoid breathing spray mist. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. If possible, vomiting should be induced under medical supervision. Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Call a physician immediately.

STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: KEEP CONTAINER CLOSED

PESTICIDE DISPOSAL:

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

NOT FOR RESALE

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DIRECTIONS

GENERAL DISINFECTING:

SUNSHINE is a concentrated general purpose disinfectant especially formulated for schools, hospitals, office buildings, and public institutions. Dilute 2 ounces of SUNSHINE to every gallon of water to disinfect and deodorize floors, toilet rooms, urinals, garbage cans, food plant floors, hospital interiors, and kitchens. SUNSHINE is highly effective against a wide spectrum of both gram-positive and gram-negative bacteria. It is effective against Staphylococcus aureus. Not effective against Ps. aeruginosa.
