

NATIONAL

NS-610

NON-SELECTIVE WEED KILLER

ACTIVE INGREDIENTS:

3-(p-chlorophenyl)-1, 1-Dimethylurea
Trichloroacetate 6.40%

*Isooctyl Ester of 2, 4-Dichlorophenoxyacetic
Acid 1.00%

INERT INGREDIENTS: 92.60%

*Equivalent to 0.66% 2, 4-Dichlorophenoxyacetic Acid

CAUTION:

KEEP OUT OF REACH OF CHILDREN

(See right panel for additional precautions)

- Fast Acting On Broadleaf Plants
- Kills All Vegetation for A Full Season or Longer
- For Use on Non-Crop Areas such as — Rights-of-Way, Industrial Plants, Tank Farms, Storage Areas and Parking Lots

DIRECTIONS FOR USE

For treating 1000 square feet, under ordinary conditions, dilute 1 to 2 gallons of NS 610 with sufficient water to give good coverage. For application — use a sprayer that will produce a coarse wet spray and that will apply the solution evenly over the entire area. For best results treat shortly before or at the time plant growth begins. Adequate control is possible when the vegetation is short or just after mowing. Thorough watering 24 hours after application will move the material to the root zone and speed up control. The effectiveness and length of time that control will last will depend on type of soil, amount of rain and other conditions.

Not Intended For Household Use Or Resale

NOTE: Do not apply, allow to drift or drain or flush equipment onto or near croplands, lawns, trees or other desirable plants or to areas where their roots may extend. DO NOT contaminate irrigation or domestic water supplies. DO NOT allow contact with fertilizers, insecticides, fungicides or seed. Application equipment should be thoroughly cleaned with a detergent and water to prevent corrosion. Equipment which has been used to apply this product should not be used for applying insecticides, fungicides, fertilizers or other agricultural chemicals as plant injury may result.

Do not reuse empty container. Destroy by burying in a safe place.

CAUTION!

- HARMFUL IF SWALLOWED
- IRRITATING TO SKIN AND EYES

Do not get on skin, in eyes or on clothing. In case of contact, immediately wash skin with plenty of water; for eyes, wash with water for at least 15 minutes and get medical attention. Vapors from this product may injure desirable nearby plants.

NOTICE

KEEP FROM FREEZING If this product is stored in cold or freezing weather it may separate or thicken. This will not harm the performance. Before using, warm to room temperature and stir thoroughly.
