ACCEPTED

APR 03 1975

Under the Federal Insecticide, Fungicide, and Rodenticide Act, this product has been found to comply with the requirements of the Act and is registered under EPA Reg. No. 1769-137-7A.

Kills Resistant Flies and Mosquitoes

DIRECTIONS FOR USE

FLIES AND MOSQUITOES: The surface deposit of a mixture of 1 gallon of VINA-CHLOR with 10 gallons of water or fuel oil will aid in the control of flies and mosquitoes. Thoroughly wet the surfaces where flies breed or alight, such as garbage dumps, refuse heaps, outside of barns and buildings. For mosquitoes, spray undergrowth near stagnant water, low damp areas and refuse dumps where water is trapped in tin cans, discarded tires and other things of this type. Repeat when necessary.

FOR PROFESSIONAL USE ONLY

VINA-CHLOR is a product for use by experienced personnel to aid in the control of flies and mosquitoes which have developed resistance to other insecticides such as DDT and chlordane.

Do not use in containers. Destroy by crushing and mixing with a safe flame. Do not use. Run off with water. May stain concrete, water, and other surfaces.

Do not spray where water is trapped. Do not use where water is trapped.

CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing mist. In case of contact with skin or eyes, flush with plenty of water; for eyes get medical attention. Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals.

Wash with soap and water after handling and before eating or smoking, wear clean clothing. Store away from children or domestic animals. Avoid contamination of feed or foodstuffs. If swallowed, get prompt medical attention. Avoid contact with skin.

INFLAMMABLE MIXTURE: KEEP AWAY FROM HEAT OR OPEN FLAME

This product is toxic to fish, shrimp, crab, birds and other wildlife. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning, refilling or disposal of wastes. Apply this product only as specified on this label.

NOTICE: KEEP FROM FEEDS. If the product is spilled on a feed, it may separate in the feed. If it does, remove the feed from the animals and burn it. Do not use the feed.
