

**DANGER, CAUSTIC**  
May be fatal if swallowed.  
**KEEP OUT OF REACH**  
**OF CHILDREN.**

**DIRECTIONS**

For disinfecting toilet bowls — Do not remove water from bowl. Pour 3 ounces Scoot Foamy Bowl Cleaner on the inside of bowl. Spread evenly over the entire surface covering the outer bowl rim and seat and around the water outlets. To remove heavy encrustations scrub with a brush or scrape off. Leave on the surface for 8 to 10 minutes and flush or rinse off. Wipe the outer rim and seat with a damp cloth or sponge.

Toilet tanks should be cleaned as needed by pouring 3 or 4 ounces into the tank, agitating with a mop and rinsing.

Urinals — Pour on the wall and spread over the entire surface with a mop. Allow to remain on the surface for 8 or 10 minutes and rinse. Remove the trap screen, pour in one ounce of Scoot Foamy Bowl Cleaner and swab the inside of the pipe. Replace strainer and flush urinal.
