USE OR STORAGE IN OR AROUND THE HOME:
Do not use on ornamental plants in or around the home. Do not use on ornamental plants in or around the home. Do not use on ornamental plants in or around the home.

ORNAAMENTAL SHRUBS AND TREES: Apply to ornamental shrubs, birch leaf miners, lace bugs, leafhoppers, mealybugs, scale insects, spider mites, tip moths, thrips and whiteflies. Apply 4 table-spoons per foot for shrubs and trees up to 6 feet tall. Distribute STEM-AX granules uniformly around the stem of the tree canopy. Work into the soil and water thoroughly. Repeat application every 4 to 6 weeks if necessary.

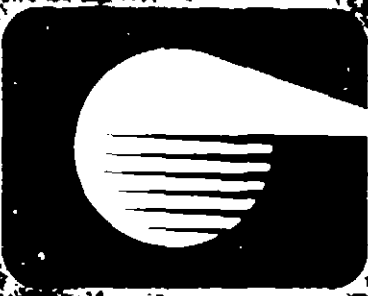

RESTRICTION: Application of higher than recommended rates may cause phytotoxicity. Do not use on plants with sensitive root systems.

PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS
DANGER: Poisoning may result as a result of water use. May be fatal if swallowed. Avoid contact with skin, eyes, nose and mouth. Do not eat, drink, or use tobacco products while using this product. Wash thoroughly after handling. Food utensils such as a teaspoon or measuring cup should not be used for food purposes after use with this product. Keep children and pets off treated areas until the product is worked into the soil and treated areas are completely dry.

USE FOR USE:
Use in accordance with the label directions. Do not use this product in violation of Federal Law to use this product in a manner not shown on its labeling.

ORNAMENTAL FLOWERS: To control lace bugs, spider mites, thrips and whiteflies, apply 4 table-spoons per foot for each 30 feet of stem. Use STEM-AX in a granular form.
