PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid breathing spray-mist. Avoid contact with skin, eyes or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

PHYSICAL OR CHEMICAL HAZARD

Flammable. Keep away from heat and open flame.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. If possible, vomiting should be induced under medical supervision. Drink one or two glasses of water and induce vomiting by touching the back of throat with finger.

18037 1000

Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Call a physician immediately.

RIGHT PANEL

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: KEEP CONTAINER CLOSED.

PESTICIDE DISPOSAL: Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture or dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

NOT FOR RESALE

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

As an Air Sanitizer: For reduction of airborne bacteria. Close all windows and doors. Spray FLAIR so that light fog forms. FLAIR will reduce the number of airborne bacteria and virus particles. This treatment temporarily sanitizes the air. Repeated applications should be made periodically according to conditions that prevail.

For Deodorizing: As an air deodorizer, spray FLAIR upwards into the atmosphere, using a good sprayer that will produce aerosol size particles. To deodorize surfaces - for control of foul or dank odors, spray directly on the surfaces to be treated after they have been cleaned. Dampen a cloth with this liquid and use for wiping bathroom fixtures, telephones, door knobs, etc., for excellent deodorizing results.

AREAS OF USE: When used as directed, may be used in hotels, motels, hospitals, restaurants, apartments, office buildings, nursing homes and other areas where air sanitization is indicated.

TO REORDER:

In Texas, call 1-800-442-7950
Outside Texas, call 1-800-527-9921
