

DIRECTIONS:

National Chemsearch BRIM Fast Acting Residual Weed and Grass Killer is for spot treatment along the fence, edge of sidewalk, driveways, side of buildings and similar areas where barren soil is desirable.

1. Shake container before using.
2. Hold container close to weed (1 to 2 feet). Push down on the button and treat the weeds thoroughly.
3. One application will kill most of the weeds. If regrowth occurs, treat again as soon as regrowth is noticed.

WARNING:

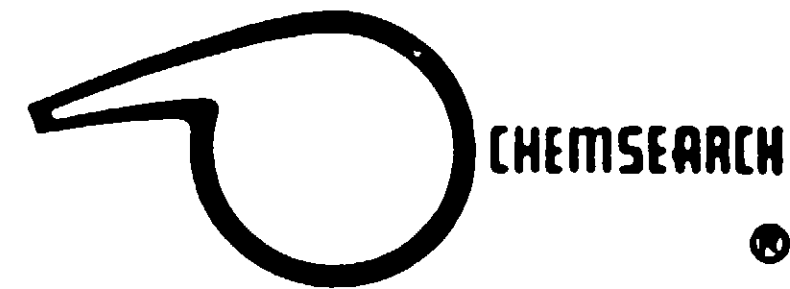

Harmful if swallowed or absorbed through the skin. Causes irritation to skin. Do not breathe vapor or spray mist. Do not get in eyes, on skin or on clothing. Wash thoroughly after handling. In case of contact wash skin with soap and water; for eyes, immediately flush with large amounts of water for at least 15 minutes and get medical attention. Remove and wash contaminated clothing before re-use. Do not use or store near fire or open flame. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.

USDA Reg. No. 1769-217

WARNING:

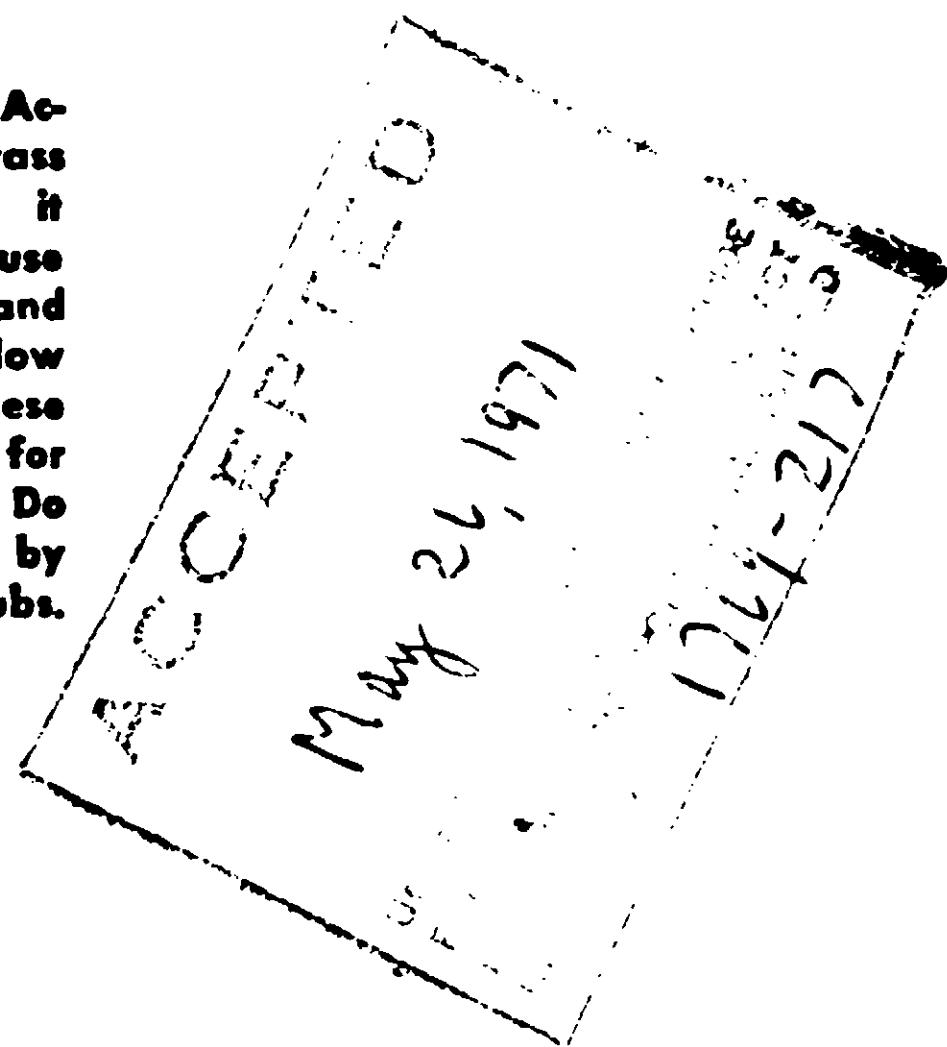

KEEP OUT OF REACH OF CHILDREN
FLAMMABLE MIXTURE
Contents Under Pressure

(See side panel for additional warnings)

CAUTION:

National Chemsearch BRIM Fast Action and Residual Weed and Grass Killer will kill any vegetation it comes in contact with. Do not use next to shrubs, flowers, trees, and other desirable plants. Do not allow the spray mists to drift onto these plants. Do not contaminate water for irrigation or domestic purposes. Do not apply to areas underlaid by roots of desirable trees and shrubs.
