**D-ALGAE**  
Depresses Algae Growth

**ACTIVE INGREDIENTS**

Alkyl (60% C<sub>14</sub>, 25% C<sub>12</sub>, 15% C<sub>16</sub>) dimethyl benzyl ammonium chlorides . . . . . 5.0%

**OTHER INGREDIENTS** . . . . . 95.0%

**TOTAL** . . . . . 100.0%

- Less water changing - saves money
- Colorless and odorless
- Prevents slippery bottoms in swimming pools
- Can't harm the pool finish

D-ALGAE is a product specifically formulated to economically depress algae growth that causes offensive odors in swimming pools. D-ALGAE is an effective algistat. Due to its nonvolatile nature, it is not lost by evaporation.

**WARNING**

**KEEP OUT OF REACH OF CHILDREN**

(See elsewhere on the label for additional precautions.)

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Outdoor Swimming Pools: When algae are first visible, add 1 gallon of D-ALGAE to each 10,000 gallons of water. Vacuum the pool after 24 hours to remove algae debris. Make up water is added at a concentration of 1 gallon of D-ALGAE for each 25,000 gallons of water added. A maintenance dose of 1 quart of D-ALGAE per 25,000 gallons of water is added every 5 to 7 days. Repeat the maintenance dose every 5 days or as needed when the weather is hot, there is rain, or the bathing load is heavy.

**IMPORTANT:** Follow the above directions, even when the pool is not used.

(for 1 gallon containers)

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage and disposal.

**STORAGE:** KEEP THE CONTAINER CLOSED WHEN NOT IN USE. Store in the original container in a cool, dry area inaccessible to children and pets. Do not reuse empty container. Rinse thoroughly before discarding in trash.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING**

Harmful if swallowed. Do not breathe spray mist. Causes skin and eye irritation. Do not get on skin, in eyes or on clothing. Wear neoprene or nitrile rubber gloves and chemical goggles. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash clothing before reuse.

**FIRST AID**

**IF SWALLOWED**

Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED**

Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

**IF ON SKIN OR CLOTHING**

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF IN EYE**

Hold eye open and rinse slowly and gently for 15-20 minutes. Remove contact lenses, if present after the first 5 minutes, then continue rinsing the eye. Call a poison control center or doctor for treatment advice.

**NOTE TO PHYSICIAN**

Probable mucosal damage contraindicates gastric lavage.

(for 2 gallon containers or larger)

**ENVIRONMENTAL HAZARDS:** This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

See the Material Safety Data Sheet for more information.
