

Fish, shrimp and crab may be killed at application rates recommended on this label. Do not apply where these are important resources. Keep out of lakes, streams, ponds, tidal marshes, and estuaries (except when applied for mosquito larvae control: Then use only around the borders of these areas and in shallow water). Do not contaminate water by cleaning of equipment or disposal of wastes. Consult your State Fish and Game Department before using this product for mosquito larvae control. Use this product only as directed on the label.

Dispose of empty containers and wastes by burning or burying in non-crop lands away from domestic water supplies.

CAUTION: May be harmful if swallowed. Avoid eye contact, wash thoroughly after handling. Wash contaminated clothing before reuse. Flush contaminated eyes with plenty of water and get medical attention if irritation persists. Keep away from food, feedstuffs and domestic water supplies.

NOTE TO PHYSICIAN: Active ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonable fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of Merchantability of Fitness For a Particular Purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
