

GENERAL WEED CONTROL: National Chemsearch HK 7 Weed Killer can be used to control most weeds for an extended period of time on non-cropland areas such as grading ramps, fence rows, railroad sidings, storage yards, parking lots, around buildings and industrial plant sites.

To control annual weeds and grasses such as foxtail, ryegrass, wildoats, crabgrass, cheatgrass, broomsedge, ragweed, lambsquarter and turkey mullein, dilute one gallon of National Chemsearch HK 7 Weed Killer to 2 gallons of water and apply the diluted spray to 500 square feet.

For hard to kill perennial weeds and grasses such as Johnson grass, Salt grass, Bouncing Bet, Bracken fern, Horsetail, Smooth Broomer, Canada Bluegrass, purpletop, quackgrass, broomsedge, aster dandelion, dog fennel, goldenrod, plaintain and wild carrot, dilute one gallon of National Chemsearch HK-7 to 2 gallons of water and apply the diluted spray to 250 square feet.

CAUTION: Do not let the liquid come into contact with susceptible plants, such as vegetables, flowers, fruit trees, ornamentals, cotton, grapes, or other desirable plants or allow spray mists to drift onto desirable plants. (Coarse sprays are less likely to drift). Thoroughly clean spray equipment before using for other purposes. Do not store near fertilizers, seeds, insecticides or fungicides. Do not contaminate water used for irrigation or domestic purposes. Do not apply to areas underlaid by roots of desirable trees and shrubs.

HK-7

WEED KILLER

KILLS MOST VEGETATION

ACTIVE INGREDIENTS:	
Heavy Aromatic Naphtha	95.75
Pentachlorophenol	0.71
Other Chlorophenols	0.09
Bromacil (5-bromo 3 sec	
butyl 6-methyluracil)	0.61
INERT INGREDIENTS	2.84

EP Reg. No. 1760-249 AA

CAUTION: Harmful if swallowed or absorbed through the skin. Causes irritation to skin. Do not breathe vapor or spray mist. Do not get in eyes, on skin or on clothing. Wash thoroughly after handling. In case of contact with skin, wash thoroughly with soap and water. For eye contact, immediately flush with large amounts of water for at least 15 minutes and get medical attention. Remove and wash contaminated clothing before reuse.

FISH AND WILDLIFE CAUTION: This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Apply this product only as specified on this label. Do not contaminate water by cleaning of equipment or disposal of wastes.

DO NOT REUSE EMPTY CONTAINER. Destroy by perforating or crushing. Bury or discard in a safe place.
