Irving, Texas 75062

WARNING: May be fatal or harmful if swallowed. Strong oxidant. May produce chemical burns. Fire may result from contact with heat, acids, organic or other combustible matter. Do not get on skin or in eyes. In case of skin or eye contact, flush with plenty of water. If skin irritation persists, get medical attention. For eyes, see a physician immediately.

DIRECTIONS: Clean toilet bowl thoroughly, giving special attention to the area under the rim. Then flush. Remove the closure from container and place container rightside up on the bottom of the water tank under the float.

S.B.C. cleans rust, stains and minerals from the toilet bowl every time it is flushed. Deodorizes and sanitizes toilet bowl water, removing odors from the bathroom area. Helps clean chase and jets. Assures more thorough flushing action. Will not injure fixtures.
