Fabric treated as directed will develop residual bacteriostatic activity and residual self-sanitizing activity against Gram positive (*S. aureus*) and Gram negative (*K. pneumoniae*) organisms, under conditions of high relative humidity or wet contamination.

**HEAVEN-SOFT** inhibits the growth of ammonia producing organisms (*B. ammoniagenes*) which act on urine in the diapers to produce ammonia.

**HEAVEN-SOFT** softens clothes, thus eliminating chafing. "Static Clings" out of nylons and other synthetics. Improves ironing time.

Do not reuse empty container.  
Rinse empty container thoroughly with water before discarding or returning to drum reconditioner.

FOR INDUSTRIAL OR  
INSTITUTIONAL USE ONLY

**USE DIRECTIONS:** Use 3 ounces HEAVEN-SOFT per 10 pounds of laundry in RINSE CYCLE.

**WARNING**  
**Keep Out of Reach of Children.** Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

**FIRST AID:**  
In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a physician.
