DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL WEED CONTROL: HK-80 week killer can be used to control most weeds for an extended period of time on non-cropland areas such as loading ramps, fence rows, railroad slidings, storage yards, parking lots, around buildings and industrial plant sites.

To control annual weeds and grasses such as foxtail, ryegrass, wildoats, crabgrass, cheat-grass, broomsedge, ragweed, lambsquarters and turkey mullein, dilute one gallon of HK-80 Week Killer to 2 gallons of water and apply the diluted spray to 500 square feet.

For hard-to-kill perennial weeds and grasses such as Johnson grass, salt grass, bouncing bet, bracken fern, horsetail, smooth broom, Canada bluegrass, purpletop, quackgrass, broomsedge, aster dandelion, dog fennel, goldenrod, pliantain and wild carrot, dilute one gallon of HK-80 to 2 gallons of water and apply the diluted spray to 250 square feet.

NCH CORPORATION's TURF COLOR may be used as a color indicator on turf to aid in a more uniform application. Use according to directions on the TURF COLOR label.

NOTE: Do not let the liquid come into contact with susceptible plants, such as vegetables, flowers, fruit trees, ornamentals, cotton, grapes, or other desirable plants. (Coarse sprays are less likely to drift.) Thoroughly clean spray equipment before using for other purposes. Do not store near fertilizers, seeds, insecticides or fungicides. Do not contaminate water used for irrigation or domestic purposes. Do not apply to areas underlain by roots of desirable trees and shrubs.

NOT INTENDED FOR HOUSEHOLD USE OR RESALE

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER
CORROSIVE**

Causes eye and skin damage. Wear goggles or face shield and rubber gloves when handling.

INHALATION: Move to fresh air. Give supportive treatment if necessary. Try to avoid breathing of vapor or spray mist.

SKIN: Avoid contact with skin. If contact does occur, wash skin thoroughly with soap and water. Wash contaminated clothing. If skin irritation occurs, contact a physician.

EYES: Avoid; but, if contact does occur, flush eyes with water for 15 minutes. See a physician.

INGESTION: Treat symptomatically. If swallowed, do not induce vomiting. Call a physician immediately.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Apply this product only as specified on this label. Do not contaminate water by cleaning of equipment or disposal of wastes. This product should be disposed of in a safe landfill.

**STORAGE AND DISPOSAL
PHYSICAL OR CHEMICAL HAZARDS**

Do not use or store near heat or open flames.

DO NOT REUSE EMPTY CONTAINER: Destroy by perforating or crushing. Bury or discard in a safe place.
