

# HEXOL

You'll be delighted  
with the  
sanitary "out-of-doors" freshness  
of a Hexol-clean bathroom.

It's so quick and easy—  
just pour a little Hexol in the  
cleaning water—swish a cloth  
over basins and fixtures—  
and you're through. No fuss—  
no bother—and your bathroom's  
delightfully fresh and clean.

For the nursery, too.
